

JOYFUL GATHERING SPIRITUAL CENTER

RADICAL FORGIVENESS CLASS

This ten-week course teaches you practical tools to use in creating a life of freedom by releasing the past and embracing the present moment in an atmosphere of forgiveness and love.

Radical Forgiveness allows us to shift our perception from thought patterns that no longer serve us to willingness and letting go of resentments and hurts.

We use practical tools, meditation, music, experiential activities and group interactions to make this a deeply healing and completely enjoyable experience. We will also have a Satori workshop as part of this class.
