

JOYFUL GATHERING SPIRITUAL CENTER

Change Your Thinking, Rule Your Life

In this exciting new class we will investigate how, "thoughts become things." We deepen our understanding of how to live the life that we desire, by being deliberate in our thinking.

This class will include interactive discussion, humorous and inspiring stories, and experiments to test & prove that we can Rule our life by changing our thoughts.

We will use the books E-Squared by Pam Grout and Infinite Possibilities by Mike Dooley "author of Notes from the Universe".

Come with expectations of being enlightened and leaving with the unleashed power to Rule your life.
