

## JOYFUL GATHERING SPIRITUAL CENTER

### The Mastery of Love

In this class inspired by Don Miguel Ruiz's work, the Mastery of Love, we will apply the Toltec wisdom teachings of Awareness, Transformation and Love to "restore the spirit of playfulness that is vital to loving relationships".

"Using teachings from the three Toltec Masteries (Awareness, Transformation, and Love) as a foundation, Don Miguel brings to light the fallacies and misplaced expectations about love that permeate most relationships. He gracefully shares his wisdom through delightful and engaging stories that clarify each point and bring his message to life."
