

**JOYFUL GATHERING SPIRITUAL CENTER**

## **Foundations of Science of Mind**

Learn how to use the power of spiritual practice and principles to see beyond conditions and transform your life.

The intention for this 10 week class of deep spirituality is to integrate your heart with your mind and develop a clear understanding of how to use core concepts and spiritual practices in your daily life. We have a beautiful, clear curriculum to guide us, deep meditations; experiential exercises' that will lead us into creating fulfilling lives that are filled with peace and clarity. This class includes a powerful 6 hour Saturday workshop!
